Location

Situated on the Pacific coast of Costa Rica, just a few kilometers from the beautiful, tranquil beaches of Playa Negra, Playa Avellanas, and Playa Callejones. Our exceptional site occupies a prime location in the heart of Guanacaste, in a blue zone, on a 7-acre property surrounded by vast preserved nature. Located only 1 hour and 15 minutes from Liberia Airport and 30 minutes from Tamarindo, a lively beach town offering a variety of restaurants, bars, markets, and shops, our property is just a 5-minute drive or 20-minute walk from the splendid Playa Negra beach.

Accommodation

Latica Lodge offers nine rooms, welcoming common areas, a unique yoga studio, a heavenly pool, and a spacious dining area where Chef Luca can showcase his culinary talent. Each room is tastefully decorated in a warm and artistic style. The nine rooms provide a total of 25 single or king-size beds, all equipped with air conditioning and a private bathroom. The room layout can be adjusted based on the number of guests and the type of activity. Specifically, we have three rooms with king-size beds (2 king-size beds or 4 single beds), one triple room, and five Junior suites (1 king-size bed or 2 single beds).

Dining

The large dining table, with its friendly atmosphere, is as impressive as the delights prepared by Chef Luca! Dining is at the heart of your experience with us. Our priority is to offer you high-quality catering service to enhance your stay. Chef Luca draws inspiration from various international cuisines to prepare delicious dishes and provide you with an exceptional culinary experience. We also have the remarkable ability to adapt to the needs and requests of our guests as well as the ongoing program. A water machine and refrigerator are available for self-service on-site.

Additionally, the lodge holds a bar license, also offering alcoholic beverages upon request. To diversify your culinary experiences, several local restaurants are accessible within a 10-minute walk.

Experiences

The experience offered by Latica Lodge is infused with positive energy. The comfort, warmth, and beauty of nature foster a renewal that allows you to recharge your batteries. The proximity to animals, the decor and style invite you to reconnect with the environment and appreciate the benefits of nature. You will be encouraged to take the time to savor the small things, the scents, and flavors to enhance your overall well-being. Latica Lodge creates an ideal environment for a stay filled with gratitude, promoting connections, exercise, and adventure, with the aim of savoring every moment of life.

Activities

Latica Lodge and its surroundings offer a multitude of captivating activities. You can indulge in yoga, discover the joys of aerial circus and flying trapeze, enjoy a horseback ride on the beach, or take surfing lessons. For deep-sea fishing enthusiasts, local fishermen offer excursions in search of big fish, while Tamarindo town offers catamaran trips more suitable for families. If relaxation is your preference, you can choose between relaxing massages or bird watching walks. For cultural experiences, you can visit Rancho Avellanas to taste the best goat cheese in the region or support Centro Pro Aguas de Guanacaste, which raises awareness about water use in our dry forest ecosystem.

However, according to us, the best activity remains exploring the stunning surrounding beaches. Let yourself be enchanted by the sound of the waves and feed your spirit of adventure by exploring these natural treasures.

Events

Latica Lodge offers a sublime setting for organizing a memorable event. Whether for a retreat, a wedding, a family reunion, or a professional gathering, we are committed to collaborating with you to bring your dreams to life by creating magical moments. With our experience in the corporate field, we are the ideal partners to ensure you total peace of mind. Feel free to share your needs and ideas with us. We also organize occasional dinner-show evenings, open to the community. These warm and friendly events bring together neighbors, friends, and travelers around passionate artists. Often integrated into circus retreats, these acrobatic performances are followed by a high-end BBQ and enhanced by the talent of local musicians.
